MGM Journal of Medical Sciences (MGMJMS) invites authors, medical scientists and research scholars from all branches of health sciences to contribute their papers (original articles, case reports and review articles). You may also send pictorial reviews, letters to the editor, book reviews and notices of meetings and conferences. This journal has been indeed already by twenty international indexing and abstracting agencies. As a matter of policy, all submitted papers are scrutinized thoroughly by the editorial team and peer-reviewers to maintain quality standards. There are no publication charges.
